Dance Victoria presents *MAN* by Norwegian choreographer **Sølvi Edvardsen** with award-winning South Asian dancer **Sudesh Adhana**. Dance Victoria Executive Producer Stephen White saw *MAN* in Copenhagen during the ICE HOT Dance Festival in 2016. He was so impressed with Adhana's interpretive skills that he offered to bring the performance to Canada. ***Dance Victoria has organized a cross-Canada tour of MAN to Halifax, St. Catharines, Salt Spring Island, Nanaimo, Vancouver and Victoria.***

In *MAN*, Adhana uses only a small sitting stool as his partner to embody the struggles of a bicultural identity, while considering *who is he? Where does he come from?* At the heart of the work is Edvardsen's exploration of how we put limits on ourselves based on our life experiences.

Dance Days activities for *MAN* include:

On Salt Spring Island
