

Schedule D – Proof of Vaccination Requirement

In alignment with the Province of BC's Proof of Vaccine Requirement, this document outlines requirements as a renter and user of Dance Victoria Studios (DVS) as of September 13, 2021. This document will be updated as Public Health Orders continue to progress.

It is your responsibility, the Renter "Licensee" or User, to abide by and communicate these protocols to your Participants and to ensure that they are being observed. Failure to comply with these requirements will result in the immediate revocation of rental privileges. If these protocols are disregarded by your Participants, it is your responsibility to communicate your concerns and, if necessary, ban these Participants from future classes or rehearsals. Failure to do so may result in the revocation of your rental privileges. Full communication and monitoring are paramount. Dance Victoria must be assured that all users of the DVS Facility are acting responsibly.

Instructor/Director responsibilities:

1. Instructors/Directors will make sure that all Participants are aware of the new proof of vaccination requirement and the key dates (listed below).
2. Instructors/Directors will meet participants at the door and ask to see proof of vaccination and valid government ID.
3. Instructors/Directors will record proof of vaccination and contact details for all participants and keep this record on file while the PHO is in effect (unless updated by BC Health: until January 31, 2022).

As per the BC Government, vaccination key dates are:

September 13: Partially Vaccinated

By September 13, you must be partially vaccinated.

Partial vaccination means 1 dose of the vaccine.

October 24: Fully Vaccinated

By October 24, you must be fully vaccinated.

Full vaccination means 7 days after dose 2 of the vaccine.

Please note:

This document is current as of September 8, 2021, however updates may occur in the coming weeks as BC Health details are made available.
