# Dance Victoria's Mandate

To enhance the appreciation of dance in the Capital Region by presenting and developing excellent professional dance, supporting emerging dance artists and choreographers, and engaging the community in the experience and celebration of dance.

## Dance Victoria is:

- Fresh, savvy and innovative
- Collaborative, generous and engaged
- Inclusive and welcoming

## Dance at the Royal Series

- **Four internationally-renowned companies** perform annually at the 1,400 seat Royal Theatre (two nights each)
- **Over 1,200 subscribers**, plus an average of 1,000 single ticket buyers at each show
- **Pre-show chats** featuring company artistic directors and choreographers
- **Post-show receptions** for Dance Victoria's major donors, sponsors and company artists

## Dance Victoria Studios

Dance Victoria leases a 12,000 square foot facility over two levels in the heart of Quadra Village's cultural corridor. Our mandate is to rent the facility to local dancers and dance professionals, to support our annual cohort of Residency Artists, and to provide free and subsidized studio access to local artists with financial barriers.

Recent upgrades to the Vernon Studio make it fully adaptable to use for intimate performances and showings (up to 100 seats) and the creation of dance films.

## DANCE VICTORIA BUILDS COMMUNITY

Dance Victoria has an active and engaged presence in the community. We are committed to increasing access to live performance through our *Nutcracker Kids* and *Dance Is For Everyone* programs, inviting families with financial barriers, new Canadians, and survivors of gender-based violence to the theatre in collaboration with local service organizations.

For each visiting company, Dance Victoria provides a local workshop or masterclass to the community, free-of-charge. We are proud to bring together dance studios and artists from across the city for the annual Dance Days Festival, which each January engages over 3,000 people in 10 days of free programming.
